# RTD COOLER DOOR CLING INTAKE FORM

The Texas Food & Fuel Association is advocating for legislation that would allow the sale of spirits-based Ready-to-Drink (RTD) beverages in convenience and grocery stores, providing new revenue opportunities for businesses.

## TFFA NEEDS YOUR SUPPORT!

The Association is offering **FREE** cooler door clings featuring QR codes to help encourage the public to contact their representatives in support of the right to purchase RTD beverages at convenience and grocery stores in Texas.

To participate, please specify the quantity of clings needed for your locations, along with a primary delivery address. The production company will handle all shipping, **but you will be responsible for distributing the tags to your individual locations.**
